PREFACE

Touch Football Australia encourages participation in our sport, in any capacity, by all members of the community – without reference to age, ability, income, education, sexual preference, race or religion.

Our commitment to provide an environment safe for children, that is free from harassment, discrimination and abuse for everyone, and promotes inclusion, respectful and positive behaviour and values.

Not only does inclusion cover the more obvious physical barriers to participation encountered by people with disabilities, it also extends to the less obvious barriers which are sometimes encountered by people due to the abovementioned factors, which are of equal, if not greater, significance.

Inclusion will only work if all stakeholders under the Touch Football Australia umbrella embrace the idea of including people of **ALL AGES AND ABILITIES** and move forward with the understanding that all members of the community have a role to play in the success of the organisation and sport itself.

Harassment and abuse within sport can have devastated effect on not only individuals, but the sport itself. Therefore through our Member Protection policy we are looking to educate, communicate and support a positive environment for all of our participants.

The role that every person plays to make an organisation a success, and success should not only be measured by the results on the board, but the feel and atmosphere around the organisation.

In line with the values associated with inclusion, Touch Football Australia will make a commitment to the following principles:

- Touch Football Australia will familiarise members with our services and volunteers and do whatever possible to help them to feel like they belong.
- When considering people's input into the association or our activities, we will focus on their abilities and not on their limitations. We will acknowledge people's skills and attributes in all areas of our operations such as playing, administrating, coaching, general assistance, organising, fundraising and supporting.
- We will acknowledge that while some people have specific needs and may require assistance in some areas of the participation (i.e. people with disabilities), their involvement in other areas of competence will not be met with unusual or extraordinary treatment. Touch Football Australia will regard every person as an active and contributing participant.

Given the importance of sport and recreation to the larger community, we agree that it is of utmost importance to TFA that all members of the community, regardless of age, sex, race, socio-economic status, ability and geographical location have access to the range of opportunities that we provide.

All members are encouraged to read the information contained in the Play by the Rules website (www.playbytherules.net.au).

All critical volunteers including affiliate's committee members, Board of Management members, TFA appointed officials and various state based sub-committee members will also be strongly encouraged to participate in and complete the online training available on that website to further assist in ensuring these values are upheld.

TOUCH FOOTBALL AUSTRALIA

PART A: NATIONAL MEMBER PROTECTION POLICY

1. Introduction

To develop and service the sport of Touch for the enjoyment of all.

2. Purpose of this policy

This *National Member Protection Policy* ("policy") will work towards maintaining ethical and informed decision-making and responsible behaviours within our sport. This policy informs everyone involved in our sport *at the national level* of his or her legal and ethical rights and responsibilities and the standards of behaviour that are required.

The policy attachments outline the procedures that support our commitment to eliminating discrimination, harassment, child abuse and other forms of inappropriate behaviour from our sport. As part of this commitment, Touch Football Australia (TFA) will take disciplinary action against any person or organisation bound by this policy if they breach it.

This policy has been endorsed by the TFA Board of Management and has been *incorporated into our By-Laws*. The policy starts on 1 March 2012 and will operate until replaced. 6. Position Statements

6.1 Child Protection

TFA is committed to the safety and wellbeing of all children and young people accessing our service. We support the rights of the child and will act without hesitation to ensure a child safe environment is maintained at all times. We also support the rights and wellbeing of our staff and volunteers and encourage their active participation in building and maintaining a secure environment for all participants.

TFA acknowledges that our staff, members and volunteers provide a valuable contribution to the positive experiences of children involved in our sport. TFA aims to continue this and to take measures to protect the safety and welfare of children participating in our sport by:

6.1.1: Identify and Analyse Risk of Harm

TFA will develop and implement a risk management strategy, which includes a review of existing child protection practices, to determine how child-safe and child-friendly the organisation is and to determine what additional strategies are required to minimise and prevent risk of harm to children because of the action of an employee, volunteer or another child.

6.1.2: Develop Codes of Conduct for Adults and Children

TFA will ensure that the organisation has codes of conduct that specify standards of conduct and care when dealing and interacting with children, particularly those in the organisation's care. The organisation will also implement a code of conduct to address appropriate behaviour between children.

The code(s) of conduct will set out professional boundaries, ethical behaviour and unacceptable behaviour. (See Part B)

6.1.3: Choose Suitable Employees and Volunteers

TFA will ensure that the organisation takes all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children (in prescribed positions).

This may be achieved using a range of screening measures. Such measures will aim to minimise the likelihood of engaging (or retaining) people who are unsuitable to work with children.

TFA will ensure that working with children checks/criminal history assessments are conducted for employees and volunteers working with children, where an assessment is required by law.

If a criminal history report is obtained as part of their screening process, then TFA will ensure that the criminal history information is dealt with in accordance with relevant state requirements. (See Part C)

6.1.4: Support, Train, Supervise and Enhance Performance

TFA will ensure that volunteers and employees who work with children or their records have ongoing supervision, support and training such that their performance is developed and enhanced to promote the establishment and maintenance of a child-safe environment.

6.1.5: Empower and Promote the Participation of Children In Decision-Making And Service Development

TFA will promote the involvement and participation of children and young people in developing and maintaining child-safe environments.

6.1.6: Report and Respond Appropriately To Suspected Abuse and Neglect

TFA will ensure that volunteers and employees are able to identify and respond to children at risk of harm.

TFA will make all volunteers and employees aware of their responsibilities under respective state laws if they have suspicion on reasonable grounds that a child has been or is being abused or neglected. (See Part E)

In addition to any legal obligation, if any person feels another person or organisation bound by this policy is acting inappropriately towards a child or is breaching the code's of practice set out they may make an internal complaint. Please refer to our complaints procedure outlined in attachment [C1] of this policy. This will explain what to do about the behaviour and how the TFA will deal with the problem.

6.2 Taking Images of Children

Images of children can be used inappropriately or illegally. TFA requires that individuals and associations, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own and ensure that the parent knows the way the image will be used. We also require the privacy of others to be respected and disallow the use of camera phones, videos and cameras inside changing areas, showers and toilets.

If TFA uses an image of a child it will avoid naming or identifying the child or it will, wherever possible, avoid using both the first name and surname. We will not display personal information such as residential address, email address or telephone numbers without gaining consent from the parent/guardian. We will not display information about hobbies, likes/dislikes, school, etc as this information can be used as grooming tools by pedophiles or other persons. We will only use appropriate images of a child, relevant to our sport and ensure that the child is suitably clothed in a manner that promotes the sport, displays its successes, etc. Where possible we will seek permission to use these images.

We require our members, member associations and clubs to do likewise.

6.3 Anti-Discrimination and Harassment

TFA opposes all forms of harassment, discrimination and bullying. This includes treating or proposing to treat someone less favourably because of a particular characteristic; imposing or intending to impose an unreasonable requirement, condition or practice which has an unequal or disproportionate effect on people with a particular characteristic; or any behaviour that is offensive, abusive, belittling, intimidating or threatening – whether this is face-to-face, indirectly or via communication technologies such as mobile phone and computers. Some forms of harassment, discrimination and bullying, based on personal characteristics such as those listed in the Dictionary at [clause 10], are against the law.

If any person feels they are being harassed or discriminated against by another person or organisation bound by this policy, please refer to our complaints procedure outlined in attachment D1 of this policy. This will explain what to do about the behaviour and how TFA will deal with the problem.

6.4 Sexual Relationships

TFA takes the position that sexual relationships between coaches and the adult athletes that they coach should be avoided as these relationships can have harmful effects on the individual athlete involved, on other athletes and coaches, and on the sport's public image. Such relationships may be intentionally or unintentionally exploitative due to a disparity between coaches and athletes in terms of authority, power, maturity, status, influence and dependence.

Should a sexual relationship exist between an athlete and coach, TFA will consider whether any action is necessary. Factors that may be relevant in this consideration are the age and maturity of the athlete relative to the coach, the financial or emotional dependence of the athlete on the coach, and the likelihood of the relationship having any adverse impact on the athlete and/or other athletes. If it is determined that the sexual relationship is inappropriate, action may be taken to stop the coaching relationship with the athlete. Action may include transfer, a request for resignation or dismissal from coaching duties.

In the event that an athlete attempts to initiate an intimate sexual relationship, the coach must take personal responsibility for discouraging such approaches, explaining the ethical basis for such action. The coach or athlete may wish to approach the NSO's MPIO or complaints officer or other designated person if they feel harassed. Our complaints procedure is outlined in Attachment D1 of this policy.

6.5 Pregnancy

Everyone bound by this policy must treat pregnant women with dignity and respect and any unreasonable barriers to participation by them in our sport should be removed. We will not tolerate any discrimination or harassment against pregnant women.

While many sporting activities are safe for pregnant women, there may be particular risks that apply to some women during pregnancy. Those risks will depend on the nature of the sporting activity and the particular pregnant woman's circumstances. Pregnant women should be aware that their own health and wellbeing, and that of their unborn children, should be of utmost importance in their decision making about the way they participate in our sport.

TFA recommends that pregnant women wanting to participate in our sport consult with their medical advisers, make themselves aware of the facts about pregnancy in sport, and ensure that they make informed decisions about participation. We will only require pregnant women to sign a disclaimer if we require other participants to sign one in similar circumstances. We will not require women to undertake a pregnancy test.

6.6 Gender Identity

Everyone bound by this policy must treat people who identify as transgender fairly and with dignity and respect. This includes acting with sensitivity and respect where a person is undergoing gender transition. We will not tolerate any unlawful discrimination or harassment of a person who identifies as transgender or transsexual or who is thought to be transgender. Descriptions of the types of behaviour which could be regarded as transgender discrimination or harassment are provided in the Dictionary at [clause 10].

TFA recognises that the exclusion of transgender people from participation in sporting events and activities has significant implications for their health, well-being and involvement in community life. In general TFA will facilitate transgender persons participating in our sport with the gender with which they identify.

TFA also recognises there is debate over whether a male to female transgender person obtains any physical advantage over other female participants. This debate is reflected in the divergent discrimination laws across the country. If issues of performance advantage arise, TFA will seek advice on the application of those laws in the particular circumstances.

Drug testing procedures and prohibitions also apply to people who identify as transgender. A person receiving treatment involving a Prohibited Substance or Method, as described on the World Anti-Doping Agency's Prohibited List, should apply for a standard Therapeutic Use Exemption.

6.7 Alcohol Policy

TFA recommends that State Associations and their member Clubs adhere to strict guidelines regarding the responsible consumption of alcohol. Generally, alcohol should not be available nor be consumed at a sporting event at which children under 18 are participants in the sport.

Responsible service and consumption of alcohol should apply to any alcohol to be consumed after the competition has concluded, including light alcohol and soft drinks always being available; wherever possible, food being available to be consumed when alcohol is available; transport policies, and Board/Committee Members being in attendance to ensure appropriate practices are followed. Guidance can be obtained from the "Alcohol Management Policy" available at <http://www.goodsports.com.au/goodsports/pages/sample-policies.html>

6.8 Smoking Policy

The following policies should be applied to sporting and social events:

- No smoking shall occur at or near any sporting event or competition involving persons under the age of 18. This policy shall apply to coaches, players, trainers, officials and volunteers;
- Social functions shall be smoke free, with smoking permitted at designated outdoor smoking areas;
- Coaches, officials, trainers, volunteers and players will refrain from smoking and remain smoke free while involved in an official capacity for any TFA Club, competition or team, on and off the field.

6.9 Cyber Bullying/Safety

Bullying and harassment in all forms is regarded by TFA as unacceptable in this sport. Given the emergence of new telephone and internet social networks, the opportunity for unwanted and improper comments and statements has dramatically increased. Messages or statements made in these ways using these means of communication are largely instantaneous, and can easily be

abused. Others may also manipulate a person by encouraging a statement to be made on twitter or facebook, for example, when the writer may be upset or vulnerable.

Bullying has the potential to cause great anxiety and distress to the person who has been the target of any comments or statements. In some cases, bullying is regarded as a criminal offence punishable by imprisonment, amongst other things. Frustration at a referee, team-mate, coach, or sporting body should never be communicated on social network channels, but rather by way of reasoned and logical verbal and written statements and where appropriate, complaints, to the relevant controlling club, league or peak sporting body.

6.10 Social Networking Websites Policy

TFA acknowledges the emergence of new technology and communication mediums (new media), and wishes to enable such new media to be used to benefit the sport and its participants, and to applaud achievements. This can occur due to the immediate nature of communication to a wide audience using channels such as facebook, twitter, and SMS. However, participants within the sport need to be very mindful of a few key matters that could lead to inappropriate use of new media, at times unintended, and at other times without a proper understanding that once comments are made or published, they are in public for a long time, and hard to take back (retract). Cautions TFA recommends:

- Do not include personal information of yourself or others in social media channels;
- Do not use offensive, provocative or hateful language;
- Use your best judgment – do not publish something that makes you the slightest bit uncomfortable, and never write/publish if you are feeling emotional or upset (or are intoxicated);
- Always ask for a person's permission before posting their picture on a social networking forum;
- Never comment on rumours, do not deny or affirm them or speculate about rumours; and
- Always use social network forums to add value and promote the sport in a positive way.

7. Complaints Procedures

7.1 Complaints

TFA aims to provide a simple procedure for complaints based on the principles of procedural fairness (natural justice). Any person (a complainant) may report a complaint about a person/s or organisation bound by this policy (respondent). Such complaints should be reported to State Member Protection Information Officer or TFA CEO.

The lowest level at which a matter can be dealt with shall always be preferred. Therefore, if a complaint relates to behaviour or an incident that occurred at the:

- state level or involves people operating at the state level, then the complaint should be reported to and handled by the relevant state association in the first instance; or
- club level or involves people operating at the club level, then the complaint should be reported to and handled by the relevant club in the first instance.

Only matters that relate to or occur at the national level and the most serious cases from club and state level should be referred to the national body.

A complaint may be dealt with informally or formally. The complainant usually decides this unless the MPIO or CEO considers that the complaint falls outside this policy and would be better dealt with another way and/or the law requires the complaint/allegation to be reported to an appropriate authority.

All complaints will be dealt with promptly, seriously, sensitively and confidentially. Our complaint procedures are outlined in attachment D1.

Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection, criminal or other relevant legislation.

7.2 Improper Complaints & Victimisation

TFA aims for our complaints procedure to have integrity and be free of unfair repercussions or victimisation against the person making the complaint. If at any point in the complaints process the MPIO or CEO considers that a complainant has **knowingly** made an untrue complaint or the complaint is malicious or intended to cause distress to the person complained of, the matter may be referred to an independent tribunal for appropriate action which may include disciplinary action against the complainant.

TFA will take all necessary steps to make sure that people involved in a complaint are not victimised. Disciplinary measures can be imposed on anyone who harasses or victimises another person for making a complaint.

7.3 Mediation

TFA aims to resolve complaints with a minimum of fuss. Complaints may be resolved by agreement between the people involved with no need for disciplinary action. Mediation allows those involved to be heard and to come up with mutually agreed solutions.

Mediation may occur before or after the investigation of a complaint. If a complainant wishes to resolve the complaint with the help of a mediator, the CEO will, in consultation with the complainant, arrange for a neutral third party mediator where possible. Lawyers are not able to negotiate on behalf of the complainant and/or the respondent. More information on the mediation process is outlined in attachment D2.

7.4 Tribunals

A Tribunal may be convened to hear a formal complaint:

- referred to it by CEO or CCO;
- Referred to it or escalated by a state association because of the serious nature of the complaint, or unable to be resolved at the state level, or the state policy directs it to be; and/or
- for an alleged breach of this policy

Our Tribunal procedure is outlined in attachment D5.

A respondent may lodge an appeal only to the Appeal Tribunal in respect of a Tribunal decision. The decision of the Appeal Tribunal is final and binding on the people involved. Our appeals process is outlined in attachment D5.

Every organisation bound by this policy will recognise and enforce any decision of a Tribunal or Appeal Tribunal under this policy.

8. What is a Breach of this policy

It is a breach of this policy for any person or organisation to which this policy applies, to do anything contrary to this policy, including but not limited to:

- 8.1 Breaching the Codes of Behaviour (attachment B to this policy);

- 8.3 Failing to follow TFA policies (including this policy) and procedures for the protection, safety and welfare of children;
- 8.4 Discriminating against, harassing or bullying (including cyber bullying) any person;
- 8.5 Victimising another person for reporting a complaint;
- 8.6 Engaging in a sexually inappropriate relationship with a person that they supervise, or have influence, authority or power over;
- 8.7 Verbally or physically assaulting another person, intimidating another person or creating a hostile environment within the sport;
- 8.8 Disclosing to any unauthorised person or organisation any TFA information that is of a private, confidential or privileged nature;
- 8.9 Making a complaint they **knew** to be untrue, vexatious, malicious or improper;
- 8.10 Failing to comply with a penalty imposed after a finding that the individual or organisation has breached this policy; or

- 8.11 Failing to comply with a direction given to the individual or organisation during the discipline process.

9. Disciplinary Measures

If an individual or organisation to which this policy applies breaches this policy, one or more forms of discipline may be imposed. Any disciplinary measure imposed under this policy must:

- Be applied consistent with any contractual and employment rules and requirements;
- Be fair and reasonable;
- Be based on the evidence and information presented and the seriousness of the breach; and
- Be determined in accordance with our Constitution, By Laws, this policy and/or Rules of the sport.

9.1 Individual

Subject to contractual and employment requirements, if a finding is made by a Tribunal that an individual has breached this policy, one or more of the following forms of discipline may be imposed:

- 9.1.1 A direction that the individual make a verbal and/or written apology;
- 9.1.2 A written warning;
- 9.1.3 A direction that the individual attend counselling to address their behaviour;

- 9.1.10 A fine;
- 9.1.11 Any other form of discipline that the CEO or Board of Management considers appropriate.

9.2 Organisation

If a finding is made that a TFA member or affiliated organisation has breached its own or this national Member Protection Policy, one or more of the following forms of discipline may be imposed by Tribunal:

- 9.2.1 A written warning;
- 9.2.2 A fine;
- 9.2.3 A direction that any rights, privileges and benefits provided to that organisation by the national body or other peak association be suspended for a specified period;
- 9.2.4 A direction that any funding granted or given to it by national body and peak associations cease from a specified date;
- 9.2.5 A direction that the national body and peak associations cease to sanction events held by or under the auspices of that organisation;
- 9.2.6 A recommendation to the national body and/or the association that its membership of the national body or peak association be suspended or terminated in accordance with the relevant constitution or rules; and/or
- 9.2.7 Any other form of discipline that the national body or peak organisation considers to be reasonable and appropriate.

9.3 Factors to consider

The form of discipline to be imposed on an individual or organisation will depend on factors such as:

- Nature and seriousness of the breach;
- If the person knew or should have known that the behaviour was a breach;

- Level of contrition;
- The effect of the proposed disciplinary measures on the person including any personal, professional or financial consequences;
- If there have been relevant prior warnings or disciplinary action;
- Ability to enforce discipline if the person is a parent or spectator (even if they are bound by the policy); and/or
- Any other mitigating circumstances.

10. Dictionary

This Dictionary sets out the meaning of words used in this policy and its attachments without limiting the ordinary and natural meaning of the words. State/Territory specific definitions and more detail on some of the words in this dictionary can be sourced from the relevant State/Territory child protection commissions or equal opportunity and anti-discrimination commissions.

- Pregnancy and breastfeeding;
- Race;
- Religious belief/activity;
- Sex or gender;
- Social origin;
- Trade union membership/activity.

(Some States and Territories include additional characteristics such as physical features or association with a person with one or more of the characteristics listed above).

Examples of Discrimination

- **Age:** A club refuses to allow an older person to coach a team simply because of age.
- **Breastfeeding:** A member of the club who is breastfeeding a baby in the club rooms is asked to leave.
- **Disability:** A player is overlooked for team selection because of mild epilepsy.
- **Family responsibilities:** A club decides not to promote an employee because he has a child with a disability even though the employee is the best person for the job.
- **Gender Identity:** A transgender player is harassed when other players refuse to call her by her female name.
- **Homosexuality:** An athlete is ostracised from her team after it becomes known that she is a lesbian.
- **Marital Status:** A player is deliberately excluded from team activities and social functions because she is single.
- **Pregnancy:** A woman is dropped from a squad when she becomes pregnant.
- **Race:** An Italian referee is not permitted to referee games with a high proportion of Italian players on one team because of his race.
- **Sex:** Specialist coaching is only offered to male players in a mixed team.

Harassment is any type of behaviour that the other person does not want and that is offensive, abusive, belittling or threatening. The behaviour is unwelcome and a reasonable person would recognise it as being unwelcome and likely to cause the recipient to feel offended, humiliated or intimidated.

Unlawful harassment is sexual or targets a person because of their race, sex, pregnancy, marital status, sexual orientation or some other personal characteristic protected by law (see characteristic list under discrimination).

It does not matter whether the harassment was intended: the focus is on the impact of the behaviour. The basic rule is if someone else finds it harassing then it could be harassment. Harassment may be a single incident but is usually repeated. It may be explicit or implicit, verbal or non-verbal, and includes electronic cyber communication.

Discrimination and harassment are not permitted in employment (including volunteer and unpaid employment); when providing sporting goods and services including access to sporting facilities; when providing education and accommodation; the selection or otherwise of any person for competition or a team (domestic or international); the entry or otherwise of any player or other person to any competition and the obtaining or retaining membership of clubs and organisations (including the rights and privileges of membership).

Some exceptions to state and federal anti-discrimination law apply. Examples include:

- holding a competitive sporting activity for boys and girls only who are under 12 years of age or of any age where strength, stamina or physique is relevant or
- not selecting a participant if the person's disability means he or she is not reasonably capable of performing the actions reasonably required for that particular sporting activity.

Requesting, assisting, instructing, inducing or encouraging another person to engage in discrimination or harassment may also be against the law.

It is also a breach of discrimination law to victimise a person who is involved in making a complaint of discrimination or harassment. Example: a player is ostracised by her male coach for

complaining about his sexist behaviour or for supporting another player who has made such a complaint.

Public acts of racial hatred which are reasonably likely to offend, insult, humiliate or intimidate are also prohibited. This applies to spectators, participants or any other person who engages in such an act in public. Some states and territories also prohibit public acts that vilify on other grounds such as homosexuality, gender identity, HIV/AIDS, religion and disability – see vilification.

Mediator means an impartial/neutral person appointed to mediate Complaints.

Member means a member for the time being of the Association under clause 12 of the TFA Constitution.

Member Protection Information Officer (MPIO) means a person trained to be the first point of contact for a person reporting a complaint under, or a breach of, this Policy. The MPIO provides impartial and confidential support to the person making the complaint.

Natural justice (also referred to as procedural fairness) incorporates the following principles:

- both the Complainant and the Respondent must know the full details of what is being said against them and have the opportunity to respond;
- all relevant submissions must be considered;
- no person may judge their own case;
- the decision maker/s must be unbiased, fair and just;
- the penalties imposed must be fair.

Police check means a national criminal history record check conducted as a pre-employment, pre-engagement or current employment background check on a person.

Policy, policy and this policy means this Member Protection Policy.

Respondent means the person who is being complained about.

Role-specific codes of conduct (or behaviour) means standards of conduct required of certain roles (e.g. coaches).

Sexual harassment means unwanted, unwelcome or uninvited behaviour of a sexual nature which could reasonably be anticipated to make a person feel humiliated, intimidated or offended. Sexual harassment can take many different forms and may include unwanted physical contact, verbal comments, jokes, propositions, display of pornographic or offensive material or other behaviour that creates a sexually hostile environment.

Sexual harassment is not behaviour based on mutual attraction, friendship and respect. If the interaction is between consenting adults, it is not sexual harassment.

Sexual offence means a criminal offence involving sexual activity or acts of indecency including but not limited to (due to differences under state/territory legislation):

- Rape
- Indecent assault
- Sexual assault
- Assault with intent to have sexual intercourse
- Incest
- Sexual penetration of child under the age of 16
- Indecent act with child under the age of 16
- Sexual relationship with child under the age of 16
- Sexual offences against people with impaired mental functioning
- Abduction and detention
- Procuring sexual penetration by threats or fraud
- Procuring sexual penetration of child under the age of 16
- Bestiality
- Soliciting acts of sexual penetration or indecent acts
- Promoting or engaging in acts of child prostitution
- Obtaining benefits from child prostitution
- Possession of child pornography
- Publishing child pornography and indecent articles.

Transgender is a general term applied to individuals and behaviours that differ from the gender role commonly, but not always, assigned at birth. It does not imply any specific form of sexual orientation.

Victimisation means subjecting a person or threatening to subject a person to any detriment or unfair treatment because that person has or intends to pursue their rights to make any complaint including a complaint under government legislation (e.g. anti-discrimination) or under this Policy, or for supporting such a person.

Vilification involves a person or organisation doing public acts to incite hatred towards, serious contempt for, or severe ridicule of a person or group of persons having any of the attributes or characteristics within the meaning of discrimination. Public acts that may amount to vilification include any form of communication to the public and any conduct observable by the public.

PART C: SCREENING / WORKING WITH CHILDREN CHECK REQUIREMENTS

Background

Child protection is about keeping children safe from harm/abuse. Child abuse is illegal, and all states and territories have their own systems and laws that cover screening and/or the reporting and investigation of cases of child abuse.

Working with Children Check (WWCC) laws aim to prevent people who pose a risk from working with children as paid employees or volunteers. In New South Wales, Queensland, Western Australia, Victoria Northern Territory and South Australian laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with children. This is done by checking certain criminal history and other matters. In some states this also involves reviewing relevant findings from disciplinary proceedings. There are also requirements placed on organisations.

The Australian Capital Territory and Tasmania are currently reviewing their screening laws. New requirements and amendments will be added to this policy as they are introduced. There is no current screening process or formal legislation, however, individual employers or sporting organisations may require police checks at their discretion.

Please be aware that state and territory WWCC requirements may also apply to individuals who visit states with screening laws. For example, if a state association or club takes players U18 into New South Wales for training camps, competition or other activities, those travelling with the teams must comply with NSW law.

The state WWCC requirements apply regardless of our national, state or club Member Protection Policy.

The following attachments provide:

- summary information on state and territory WWCC requirements and where to obtain more information and relevant forms
- our Member Protection Declaration (for all states/territories except NSW who must complete a Prohibited Employment Declaration provided by the NSW Commission for Children and Young People)
- our screening requirements for people residing in ACT and Tasmania

Attachment C1: SCREENING REQUIREMENTS

for states/territories without Working With Children Checks such as ACT and Tasmania

This attachment sets out the screening process for people in TFA who work, coach, supervise or have regular unsupervised contact with people under the age of 18 years.

TFA will, and also requires state associations and clubs to:

1. Identify positions that involve working, coaching, supervising or regular unsupervised contact with people under the age of 18 years.
2. Obtain a completed *Member Protection Declaration* (MPD) (Attachment C2) from all people who are identified in the above step and keep it in a secure place.
3. Provide an opportunity for a person to give an explanation if a MPD isn't provided or it reveals that the person doesn't satisfactorily meet any of the clauses in the MPD. We will then make an assessment as to whether the person may be unsuitable to work with people under the age of 18 years. If unsatisfied we will not appoint them to the role/position.
4. Where possible, check a person's referees (verbal or written) about his/her suitability for the role.
5. Ask the people identified in step 1 to sign a consent form for a national police check.
6. Possibly request (or ask the person to request) a national 'Part Exclusion' police check from our relevant police jurisdiction. This check excludes irrelevant records. If the police check indicates a relevant offence, we will provide an opportunity for the person to give an explanation, and then we will make an assessment as to whether the person may pose a risk to or be unsuitable to work with people under the age of 18 years. If unsatisfied we will not appoint them to the role/position.
7. Make an assessment as to whether the person may be unsuitable to work with people under the age of 18 years if the person does not agree to a national police check after explaining why it is a requirement under our policy. If unsatisfied, we will not appoint them.
8. Decide whether to offer the person the position taking into account the result of the police check and any other information the club has available to it. Where it is not practical to complete the police check prior to the person commencing in the position, we will complete the check as soon as possible, and if necessary, act immediately on the outcome.
9. Protect the privacy of any person who is checked and maintain confidentiality of any information obtained through the checking process.
10. Return information collected during screening (such as a completed MPD form, police records and referee reports) to the relevant person if that person is not appointed to the position, or otherwise be destroyed within 28 days of the date of the decision or the expiry of any appeal period, unless within that time the person requests that the documents be returned to them. For appointed persons, information will be kept on file in a secure location.

Attachment C2: MEMBER PROTECTION DECLARATION

TFA has a duty of care to all those associated with the sport at the national level and to the individuals and organisations to whom our national Member Protection Policy applies. Attachment C3: WORKING WITH CHILDREN CHILD PROTECTION REQUIREMENTS

The following information was updated in April 2011. It is subject to change at any time.

1. QUEENSLAND

A person will need a Working with Children Check, also known as the **blue card**, if they propose to work in a paid or voluntary capacity or to carry on a business in a child-related area regulated by the *Commission for Children and Young People and Child Guardian Act 2000*. Once a person is checked and approved they are issued with a "blue card." Volunteers and paid employees employed in sporting organisations generally fall under the 'churches, clubs and associations' category of regulated employment. Volunteers and paid employees employed in private businesses may fall under the 'sport and active recreation' category of regulated employment. The check is a detailed national criminal history check including charges and investigations relating to children.

People such as those with previous convictions involving children are disqualified from applying for or renewing a blue card (refer to website below for details).

A blue card remains current for two years. Existing card holders will be notified by the Queensland Commission for Children and Young People and Child Guardian before their card expires.

In addition to obligations regarding the blue card, **employers** must develop and implement a written child protection risk management strategy and review it each year.

For more information on the blue card, including current forms:

2. NEW SOUTH WALES

All organisations within NSW that employ people in child-related employment (in a paid or volunteer capacity) must meet the requirements of the Working with Children Check (WWCC). Child related employment is work which primarily involves direct unsupervised contact with children. The WWCC involves the following:

1. **Ensuring** all paid employees in a child-related position sign an [Applicant Declaration and Consent Form](#) which declares they are not prohibited from working with children.
2. **Submitting** all applicants for **paid** employment to NSW Commission For Children and Young People for a Working With Children Background Check.
3. All volunteers and students on placement whose work is categorised as 'child-related employment' must sign a [Volunteer/Student Declaration](#); except those volunteers who mentor disadvantaged children in family-like relationships, or provide intimate personal care (e.g. bathing or toileting) for disabled children. These volunteers require a Working With Children Background Check. (see 1. and 2. above)
4. **Reporting** relevant employment proceedings for any paid and unpaid employees to the Commission for Children and Young People. A relevant employment proceeding involves any reportable conduct committed outside of work as well as in the workplace with or in the presence of a children.

Sporting organisations are responsible for managing the WWCC process. Individuals cannot apply for a WWCC directly. Sporting organisations should register with the **NSW Commission for Children and Young People** providing a contact who will receive the information on the background checks.

A WWCC is valid for employment in that position within the organisation. Short-term employees (where that person is being employed for periods of less than six months and returning for short periods throughout a 12 month period) only need to be checked **once** every 12 months.

For more information, including the required forms visit:

- <https://check.kids.nsw.gov.au/index.php> or contact 02 9286 7219 during business hours.

3. **WESTERN AUSTRALIA**

The Working with Children Check (WWC Check) is a compulsory and rigorous criminal record check for certain people who carry out 'child-related work' in WA. A person is in 'child-related work' if the usual duties of their work involves, or is likely to involve contact with a child in connection with specified categories of work (see the website below for further details). It includes child-related work carried out by paid employees, volunteers, unpaid people and the self-employed. Parents volunteering in connection with their child's activity are exempt (although this does not apply to overnight camps); however they should still be required to complete the non-WWC Check screening process. There are other exemptions, for example volunteers under 18 years old. Further details about exemptions can be found on the website below. Only those in child-related work under the Act may apply.

Applicants will be issued with either:

- An Assessment Notice in the form of a WWC Card enabling them to be in all types of child-related work for three years unless there are new offences of concern.
- An Interim Negative Notice, which prohibits them from child-related work until a final decision is made on their application.
- A Negative Notice, which prohibits them from child-related work.

There are set obligations and strong penalties for non-compliance including for employers and volunteer co-coordinators.

For more information:

- www.checkwwc.wa.gov.au or call 1800 883 979 (toll free)

4. **VICTORIA**

The Working with Children (WWC) Check creates a mandatory minimum checking standard across Victoria. The *Working with Children Act 2005* requires that some people who work or volunteer in child-related work require a WWC Check. The check involves a national police records check and a review of relevant findings from prescribed professional disciplinary bodies (currently only the Victorian Institute of Teaching). There is an exemption for volunteers whose own children are involved in the particular activity; however they should still be required to complete the screening process.

A person who has no criminal or professional disciplinary history will be granted an *assessment notice*. This notice will entitle the person to undertake child-related work in Victoria and is valid for five years (unless revoked). A person deemed unsuitable to work or volunteer with children will be given a *negative notice* and cannot work in child-related work in Victoria.

For more information:

- www.justice.vic.gov.au/workingwithchildren or 1300 652 879

5. **SOUTH AUSTRALIA**

There are provisions under the *Children's Protection (Miscellaneous) Amendment Act 2005* that apply to non-government and volunteer organisations that are entrusted with the care of children or who regularly come into contact with children. Part of the Government regulations are 'Seven Principles of Good Practice' which clubs and organisations are expected to adopt as proactive and preventative strategies. These principles are to help prevent and minimise opportunities for abuse and to appropriately respond when abuse occurs or is suspected. The principles can be assessed at the following link:

http://www.recsport.sa.gov.au/training-development/documents/Keep_Children_Safe_Guidelines.pdf

Criminal history assessments (checks) are likely to be mandatory for most positions in sporting organisations from 2010/2011. Some exemptions could apply.

Staff and volunteers who work with children are mandated notifiers and have a legal obligation to report any suspected child abuse and/or neglect.

For more information:

- <http://www.dfc.sa.gov.au/pub/Default.aspx?tabid=281>

6. NORTHERN TERRITORY

From January 2010, all persons employed in child related work, either paid or as a volunteer, must hold a valid clearance notice issued by the SAFE NT Screening Authority. There are penalties for failure to comply. Sports coaches, trainers, team administrators, officials and volunteers of Sporting Organisations that deal with children are included under the legislative requirements.

Clearance notices are valid for two years from date of issue unless revoked, and are transferable within employment fields. As a part of the assessment process, SAFE NT will consider the applicant's criminal history record and other relevant information.

For more information contact 1800 SAFE NT (1800 723 368)

PART D: COMPLAINT HANDLING PROCEDURES

Attachment C1: COMPLAINTS PROCEDURE

All complaints will be kept confidential and will not be disclosed to another person without the complainant's consent except if law requires disclosure or if disclosure is necessary to effectively deal with the complaint.

Individuals and organisations may also pursue their complaint externally under anti-discrimination, child protection or other relevant legislation.

If you wish to remain anonymous, TFA may have difficulty assisting you to resolve your complaint. Procedural fairness (natural justice) means that TFA is required to provide the person/people you have complained about with full details of the complaint so they have a fair chance to respond.

INFORMAL APPROACHES

Step 1: Talk with the other person (where this is reasonable, safe and appropriate)

In the first instance, you (the Complainant) should try to sort out the problem with the person or people involved (respondent) if you feel able to do so.

Step 2: Contact a Member Protection Information Officer

Talk with one of our Member Protection Information Officers (MPIOs) or to - insert relevant information/designated person/s if:

- the first step is not possible/reasonable;
- you are not sure how to handle the problem by yourself;
- you want to talk confidentially about the problem with someone and obtain more information about what you can do; or
- the problem continues after you tried to approach the person or people involved.

Contact TFA on 02 6212 2800 for advice on accessing a MPIOs in your local area.

The MPIO will:

- take confidential notes about your complaint;
- try to find out the facts of the problem;
- ask what outcome/how you want the problem resolved and if you need support;
- provide possible options for you to resolve the problem;
- act as a support person if you so wish;
- refer you to an appropriate person (e.g. Mediator) to help you resolve the problem, if necessary;
- inform the relevant government authorities and/or police if required by law to do so;
- maintain confidentiality.

Step 3: Outcomes from initial contact

After talking with the MPIO, you may decide:

- there is no problem;
- the problem is minor and you do not wish to take the matter forward;
- to try and work out your own resolution (with or without a support person such as a MPIO); or
- to seek a mediated resolution with the help of a third person (such as a mediator); or
- to seek a formal approach.

FORMAL APPROACHES

Step 4: Making a Formal complaint

If your complaint is not resolved or informal approaches are not appropriate or possible, you may:

- make a formal complaint in writing to the CEO or;
- approach a relevant external agency such as an anti-discrimination commission, for advice.

On receiving a formal complaint and based on the material you have provided, the CEO **will** decide whether:

- they are the most appropriate person to receive and handle the complaint;
- the nature and seriousness of the complaint warrants a formal resolution procedure;
- to refer the complaint to mediation;
- to appoint a person to **investigate** (gather more information on) the complaint;
- to refer the complaint to a hearings tribunal;
- to refer the matter to the police or other appropriate authority; and/or
- to implement any interim arrangements that will apply until the complaint process set out in these Procedures is completed.

In making the decision(s) outlined above, the CEO will take into account:

- whether they have had any personal involvement in the circumstances which means that someone else should handle the complaint;
- your wishes, and the wishes of the respondent, regarding the manner in which the complaint should be handled;
- the relationship between you and the respondent (for example an actual or perceived power imbalance between you and the respondent);
- whether the facts of the complaint are in dispute; and
- the urgency of the complaint, including the possibility that you will be subject to further unacceptable behaviour while the complaint process is underway.

If the CEO is the appropriate person to handle the complaint they will, to the extent that these steps are necessary:

- put the information they've received from you to the person/people you're complaining about and ask them to provide their side of the story;
- decide if they have enough information to determine whether the matter alleged in your complaint did or didn't happen; and/or
- determine what, if any, further action to take. This action may include disciplinary action in accordance with this policy.

Step 5: Investigation of the complaint

- A person appointed under Step 3 will conduct an investigation and provide a written report to the CEO who will determine what further action to take;
- If the complaint is referred to mediation, it will be conducted in accordance with Attachment C2 or as otherwise agreed by you and the respondent and the mediation provider;
- If the complaint is referred to a hearings tribunal, the hearing will be conducted in accordance with the Attachment D5: Hearings and Appeals Tribunal Procedure;
- If the complaint is referred to the police or other appropriate authority, TFA will use its best endeavours to provide all reasonable assistance required by the police or other authority.
- It must be made clear to all parties that the investigator is not seeking to resolve the matter, nor to decide whether any breach of this Policy has occurred, nor to impose any penalty. Any decision about Policy breach must be referred to an independent tribunal, and wherever possible, mediations should be conducted by an independent mediator.

Any costs relating to the complaint process set out in this Policy (e.g. investigation and/or mediation and/or hearings tribunal) are to be met by TFA unless otherwise stated in the relevant Attachment.

Step 6: Reconsideration of initial outcome/investigation or appeal

If, under the formal complaint process, mediation is unsuccessful, you may request that the CEO reconsider the complaint in accordance with **Step 3**.

You or the respondent(s) may be entitled to appeal. The grounds and process for appeals under this Policy are set out in Attachment D5: Hearings and Appeals Tribunal Procedure.

Step 7: Documenting the resolution

The CEO will document the complaint, the process and the outcome. This document will be stored in a confidential and secure place. If the complaint was dealt with at a state/district level, the information will be stored in the state association office. If the matter is of a serious nature, or if the matter was escalated to and/or dealt with at the national level, the original document will be stored at the national office with a copy stored at the state office.

EXTERNAL APPROACHES

There are a range of other options available depending on the nature of your complaint. If you feel that you have been harassed or discriminated against, you can seek advice from your State or Territory anti-discrimination commission without being obliged to make a formal complaint. If the commission advises you that the problem appears to be harassment within its jurisdiction, you may lodge a formal complaint with the commission.

Once a complaint is received by an anti-discrimination commission, it will investigate. If it appears that unlawful harassment or discrimination has occurred, the commission will conciliate the complaint confidentially. If this fails, or is inappropriate, the complaint may go to a formal hearing where a finding will be made. The tribunal will decide upon what action, if any, will be taken. This could include financial compensation for such things as distress, lost earnings or medical and counselling expenses incurred.

If you do lodge a complaint under anti-discrimination law, you may use an appropriate person (e.g. an *MPIO*) as a support person throughout the process. It is also common to have a legal representative, particularly at the hearing stage of a complaint.

You could also approach another external agency such as the police.

Attachment D2: MEDIATION

Mediation is a process during which people in conflict are helped to communicate with each other to identify the areas of dispute and to make decisions about resolving it. This attachment outlines the general procedure of mediation that will be followed by TFA.

1. If mediation is chosen, the MPIO or other designated person will, under the direction of TFA and in consultation with the complainant and the respondent(s), arrange for a mediator.
2. The mediator's role is to assist the complainant and respondent(s) reach an agreement on how to resolve the problem. The mediator, in consultation with the complainant and respondent(s), will choose the procedures to be followed during the mediation. At a minimum, an agenda of issues for discussion will be prepared by the mediator.
3. The mediation will be conducted confidentially and without prejudice to the rights of the complainant and the respondent(s) to pursue an alternative process if the complaint is not resolved.
4. At the end of a successful mediation the mediator will prepare a document that sets out the agreement reached which will be signed by them as their agreement.
5. If the complaint is not resolved by mediation, the complainant may:
 - a. Write to the CEO to request that the CEO reconsider the complaint in accordance with **Step 3**; or
 - b. Approach an external agency such as an anti-discrimination commission.
6. Mediation will **not** be recommended if:
 - a. The respondent has a completely different version of the events and will not deviate from these;
 - b. The complainant or respondent are unwilling to attempt mediation;
 - c. Due to the nature of the complaint, the relationship between the complainant and the respondent(s) or any other relevant factors, the complaint is not suitable for mediation; or
 - d. The matter involves proven serious allegations, regardless of the wishes of the Complainant.

Attachment D3: INVESTIGATION PROCESS

If an investigation needs to be conducted to gather more information the following steps will be followed:

1. We will provide a written brief to the investigator clarifying terms of engagement and roles and responsibilities. The investigator will:
 - 1.1 Interview the complainant and record the interview in writing.
 - 1.2 Convey full details of the complaint to the respondent (s) so that they can respond.
 - 1.3 Interview the respondent to allow them to answer the complaint, and record the interview in writing.
 - 1.4 Obtain statements from witnesses and other relevant evidence to assist in a determination, if there is a dispute over the facts
 - 1.5 Make a finding as to whether the complaint is:
 - substantiated (there is sufficient evidence to support the complaint);
 - inconclusive (there is insufficient evidence either way);
 - unsubstantiated (there is sufficient evidence to show that the complaint is unfounded); and/or
 - mischievous, vexatious or knowingly untrue.
 - 1.6 Provide a report to the CEO documenting the complaint, investigation process, evidence, finding and, if requested, recommendations.
2. We will provide a report to the complainant and the respondent(s) documenting the complaint, the investigation process and summarising key points that are substantiated, inconclusive, unsubstantiated and/or mischievous.
3. The complainant and the respondent(s) will be entitled to support throughout this process from their chosen support person/adviser (e.g. MPIO or other person).
4. The complainant and the respondent(s) may have the right to appeal against any decision based on the investigation. Information on our appeals process is in the Attachment D5: Hearings and Appeals Tribunal Procedure.

Attachment D4: PROCEDURE FOR HANDLING ALLEGATIONS OF CHILD ABUSE

An allegation of child abuse is a very serious matter and must be handled with a high degree of sensitivity. It is not the responsibility of anyone working in TFA in a paid or unpaid capacity to decide whether or not child abuse has taken place. However, there is a responsibility to act on any concerns by reporting these to the appropriate authorities. The following outlines the key steps to follow. More information can be obtained from State or Territory government agencies.

Step 1 – Initial Receipt of an Allegation

If a child or young person discloses an allegation involving harm or abuse to them or another child, then it is crucial that you:

- Stay calm;
- Listen, be supportive and do not challenge or undermine what the child says;
- Reassure the child that what has occurred is not the fault of the child;
- Be honest with the child and explain that other people may need to be told in order to stop what is happening;
- Ensure you are clear about what the child has said but do not elicit detailed information, ask leading questions or offer an opinion;
- Act promptly to accurately record the discussion in writing;
- Do not discuss the details with any person other than those detailed in these procedures; and
- Do not contact the alleged offender.

Step 2 – Report allegations

- Immediately report any allegation or disclosure of child abuse or situation involving a child at risk of harm, to the police and/or government child protection agency. You may need to report to both.
- Contact the relevant child protection agency or police for advice if there is **any** doubt about whether the complaint should be reported (for example, the allegation may relate to poor/inappropriate practice).
- If the child's parent/s is suspected of committing the abuse, you should report the allegation to the relevant government agency.
- If the allegation involves anyone to whom our policy applies, then also report the allegation to the CEO of TFA so that they can manage the situation (e.g. contact the parents following advice from the authorities, deal with any media enquiries and manage steps 3 and 4).

Step 3 – Protect the child and manage the situation

- The MPIO or CEO will assess the risks and take interim action to ensure the child's/children's safety. Action TFA may implement includes redeployment of the alleged offender to a non-child related position, supervision of the alleged offender or removal/suspension from their duties until the allegations are finally determined. Please be aware it is not the MPIO's role to undertake action such as redeploying someone and seek legal advice if person is in a paid employment.
- The MPIO or CEO will consider the kind of support that the child/ren and parents may need (e.g. counselling, helplines, support groups).
- The MPIO or CEO will address the support needs of the alleged offender.
- The MPIO or CEO will also put in place measures to protect the child and the person against whom the complaint is made from victimisation and gossip. If the person is stood down, it should be made clear to any persons aware of the incident that this does not mean the respondent is guilty and a proper investigation will be undertaken.

Step 4 – Internal action

- Where there is an allegation made against a person to whom this policy applies, there may be three types of investigations:
 - Criminal (conducted by police)
 - Child protection (conducted by child protection authority)
 - Disciplinary or misconduct (conducted by TFA)

- Irrespective of the findings of the child protection and/or police inquiries, TFA will assess the allegation to decide whether the person should be reinstated, banned, have their employment or position terminated or any other action.
- The decision-maker(s) will be the CEO of TFA or an appointed individual and it will consider all the information, including the findings of the police, government agency and/or court, and determine a finding, recommend action and explain its rationale for the action. This may be a difficult decision particularly where there is insufficient evidence to uphold any action by the police.
- If disciplinary action is to be taken, the procedures outlined in Clause 9 of the policy will be followed.
- If disciplinary action is taken, TFA will advise and provide a report to the relevant government authority should this be required (e.g. the NSW Commission for Children and Young People requires notification of relevant employment proceedings).

Attachment D5: HEARINGS & APPEALS TRIBUNAL PROCEDURE

The following will be followed by hearings tribunals established by TFA to hear national member protection related complaints.

Preparation for Tribunal Hearing

1. A Tribunal Panel will be constituted following the rules outlined in TFA's Constitution, to hear a complaint that has been referred to it by the CEO or their delegate. The number of Tribunal members required to be present throughout the hearing will be a minimum of three members required.
2. The Tribunal members will be provided with a copy of all the relevant correspondence, reports or information received and sent relating to the complaint/allegations.

The respondent(s) will be allowed to participate in all TFA activities and events, pending the decision of the Tribunal, including any available appeal process, unless the CEO or their delegate believes it is necessary to exclude the respondent(s) from all or some TFA activities and events, after considering the nature of the complaint.

6. The CEO or their delegate will notify the complainant in writing that a tribunal hearing will take place. The notice will outline:
 - That the person has a right to appear at the tribunal hearing to support their complaint;
 - Details of the complaint, including any relevant rules or regulations the respondent is accused of breaching
 - The date, time and venue of the tribunal hearing;
 - That they can make either verbal or written submissions to the Tribunal;

 - That legal representation will not be allowed. If complainant is a minor, they should have a parent or guardian present.

A copy of any information / documents that have been given to the Tribunal (e.g. investigation report findings) will also be provided to the complainant.

11. If the Tribunal Chairperson considers that a valid reason for the non-attendance of the respondent(s) has been presented, or the Tribunal Chairperson does not believe the Tribunal notification requirements have been met, then the Tribunal will be rescheduled to a later date.
12. The Tribunal Chairperson will inform the CEO or their delegate of the need to reschedule, and the CEO or their delegate will organise for the Tribunal to be reconvened.
13. The Tribunal Chairperson will read out the complaint, ask the respondent(s) if they understand the complaint and if they agree or disagree with the complaint.
14. If the respondent agrees with the complaint, he or she will be asked to provide any evidence or witnesses that should be considered by the Tribunal Panel when determining any disciplinary measures (penalty).
15. If the respondent disagrees with the complaint, the complainant will be asked to describe the circumstances that lead to the complaint being made.
 - Reference may be made to brief notes.
 - The complainant may call witnesses.

16. The respondent(s) will then be asked to respond to the complaint.
 - Reference may be made to brief notes.
 - The respondent may call witnesses.
 - The complainant may ask questions of the respondent and witnesses.
17. Both the complainant and respondent may be present when evidence is presented to the Tribunal. Witnesses may be asked to wait outside the hearing until required.

 - limit the number of witnesses presented to those who provide any new evidence.
 - Require (to the extent it has power to do so) the attendance of any witness it deems relevant;
 - Act in an inquisitorial manner in order to establish the truth of the issue/case before it.
19. Video evidence, if available, may be presented. The arrangements must be made entirely by the person/s wishing to offer this type of evidence.
20. If the Tribunal considers that at any time during the Tribunal Hearing there is any unreasonable or intimidatory behaviour from anyone, the Chairperson may deny further involvement of the person in the hearing.
21. After all of the evidence has been presented the Tribunal will make its decision in private. The Tribunal must decide whether the complaint has been substantiated on the balance of probabilities (i.e. more probable than not). As the seriousness of the allegation increases, so too must the level of satisfaction of the Tribunal that the complaint has been substantiated. The respondent will be given an opportunity to address the Tribunal on disciplinary measures which might be imposed. Disciplinary measures imposed must be reasonable in the circumstances.

22. All Tribunal decisions will be by majority vote.
23. The Tribunal Chairperson will announce the decision in the presence of all those involved in the hearing and will declare the hearing closed, or may advise those present that the decision is reserved and will be handed down in written form at a later time.

NEW SOUTH WALES

Anyone who suspects, on reasonable grounds, that a child or young person is at risk of being neglected or physically, sexually or emotionally abused, should report it to Community Services.

Reasonable grounds is the standard that reporters must use in deciding whether or not to report to Community Services.

It does not mean that reporters are required to confirm their suspicions or provide solid proof before making a report. A useful rule of thumb is to consider whether another person, when faced with similar information, would also draw the same conclusion.

You can make a report by phoning the **Child Protection Helpline on 132 111** (TTY 1800 212 936) for the cost of a local call, 24 hours a day, 7 days a week.

WESTERN AUSTRALIA

If you are concerned about a child's wellbeing, [contact](#) the Department for Child Protection's district office closest to where the child lives or the [Crisis Care Unit](#) after hours.

If you believe a child is in immediate danger or in a life-threatening situation, contact the Western Australia Police immediately by dialling **000**.

If you make a report or disclose relevant information to the Department for Child Protection, there is legislative protection for the notifier. These are:

- Protection of identity - with some exceptions, your identity must not be disclosed without your consent. For further information, refer to section 240 of the *Children and Community Services Act 2004*
- Legal protection – you are not subject to legal liability under State law providing the information is provided in good faith.
- Professional protection – authorised disclosure of information cannot be held to constitute unprofessional conduct or a breach of professional ethics. As a result you cannot be disciplined by your professional body or incur any formal professional negative consequences at your workplace.

When you contact the Department, the Duty Officer will gather and record information that you provide and decide how best to respond. The type of information that the officer will gather includes:

- details about the child/young person and family
- the reasons you are concerned
- the immediate risk to the child
- whether or not the child or family has support
- what may need to happen to make the child safe
- your contact details, so that the officer can call you to obtain further information if required or to provide feedback.

You do not need to have all the details about the child or family when you contact the Department for Child Protection

VICTORIA

Some professionals such as doctors, nurses, police and school teachers are legally obliged to report suspected child abuse. In addition, any person who believes on reasonable grounds that a child needs protection can make a report to the Victorian Child Protection Service. It is the Child Protection worker's job to assess and, where necessary, further investigate if a child or young person is at risk of harm.

SOUTH AUSTRALIA

Staff and volunteers who work with children are mandated notifiers and have a legal obligation to report any suspicion of child abuse and/or neglect that they may form in the course of their employment or volunteer activity based on reasonable grounds. This obligation extends to persons holding a management position whose duties include direct responsibility for, or direct supervision of the provision of services to children.

Reports are made to the CHILD ABUSE HELP LINE 13 14 78

A reasonable suspicion must be based on facts, for example:

- A disclosure of abuse by a child
- Professional judgement, based on the notifier's experience and observations

The organisation has an obligation to make each affected person aware of this legal obligation.

There is no obligation that recreation or sporting organisations require mandated reporters to undertake formal external training in the recognition of child abuse.

The law also stipulates that no person shall threaten or intimidate, or cause damage, loss or disadvantage to another person because that person has made a notification or proposes to make a notification pursuant to the *Children's Protection Act 1993*.
